4) With reference to the orders directing me to be in additional charge of the Labour Secretariat during the period Sri. S.G. Narasimhiah, will be on special duty, I beg to state that the work in the Traffic Board Office is on the increase and that it would be very heavy during the months of May and June 1949 as the Ist Stage of the Nationalisation Scheme has to be completed by the end of June 1949. Notices have been issued to the owners of buses whose services leave Bangalore and return thereto, to surrender their existing permits and to select other routes. Applications received in this behalf will have to be worked up urgently and orders have to issue well in time so that the applicants may be able to arrange for running their services in the new lines to be sanctioned from Ist July 1949.

5) Even with the increased heavy work, it would have been possible for me to take up the additional work of the Labour Secretariat if both the offices were housed in the same building. As the Traffic Board Office is accommodated in the United India Buildings, which is far away from the Old Public Offices, it is physically impossible for me to go to the Old Public Offices to attend to the work of the Labour Secretariat or for the officials of that office to go to the United India Buildings with files when necessary.

6) I therefore submit that some other (arrangement)

7) I wld. I cannot agree with the views of the Bott. Dairy. Even if the Trade Board this is in the United India Milkmen, the files may go to them and he can attend to them in his this. I really dont appreciate such representations, and for the present the Dairy Trade Board may continue to be in charge of the Bott. Dairy Labour Section.

8) I agree. The Secy. D.C. was the Secretary in charge of the Trade Bd. work also. It was decided that this work was put under a separate Asst. Secy., and it is not certainly such, so soon, or to be unreasonable for one Asst. Secy, as as not to admit of his handing the Labour Section work in addition.

9) The U.S. Trade Bd. will be in charge.
